

Next Perchlorate Steering Committee Meeting

The next meeting of the Perchlorate Steering Committee will be held on Wednesday, March 25th from 10:00 AM to 2:00 PM (Pacific Time) [1:00 - 5:00 PM Eastern Time] in Conference Room A on the second floor of EPA's Crystal Station Building (2800 Crystal Drive in Crystal City) in Arlington, VA. I have arranged to have 25 call in lines available for this meeting for those who will be unable to attend. The call-in number for the meeting will be 202-260-7280, access code 6198#.

The agenda for the meeting is as follows:

- 1) Reports to the steering committee on open agenda items from previous meetings
- 2) Reports from the subcommittee chairs
- 3) Discussion/planning related to the proposed format and agenda for the Steering Committee-sponsored scientific workshop on perchlorate to be held in Henderson, Nevada on May 19 - 21, 1998.

Please let me know if you plan to attend the meeting in person or by telephone conference line. The Crystal Station building is adjacent to the Crystal City Hyatt Hotel, and is approximately a 10 minute taxi ride from National Airport.

Future Steering Committee meetings will be held in mid-April and on May 21 (in Henderson, NV) Please let me know if have any questions.

Thanks, Peter Grevatt (202) 260-3100 (USEPA, Washington, D.C.)
